

There's just something about Downtown Conway: "its cool downtown!"

In the heart of Downtown Conway, you can enjoy an afternoon strolling down our side-walks and shopping at our wonderful retail outlets. You can dine-in or dine-out (rooftop) at any one of our terrific restaurants, then walk over to Simon Park, Hendrix or UCA for an evening concert full of wonderful music and entertainment. Still not tired? Then come back and enjoy an evening of live entertainment on the rooftop of Michelangelo's.

Within a mile of the historic Toad Suck Square — where Milton Davis first coined the phrase — you'll find a treasure trove of arts, culture and interesting things to do. More than this, you'll find a place where government, education, business and people of all walks come together in one of the most energetic, creative and yet somehow laid-back cities in Arkansas.

Downtown Conway is alive with life and commerce, both large and small. Casual, cosmopolitan, eclectic, five-star, techie, hippie, historic, chic, intellectual, fashionable, artistic, and weird. The adjectives used to describe Downtown Conway, Arkansas are as numerous and diverse as the people who live, work and play here.
